California Water Quality Monitoring Collaboration Network Participant:

Join the California Water Quality Monitoring Collaboration Network and the State Water Quality Control Board's Jon Marshack from your own workspace for a 1-hour Webinar session "Water Quality Goals". The webinar will be on Thursday, June 14, 2012 from 11:30 AM -12:30 PM. Please call and login 15 minutes early, see the instructions below to join the webinar.

Water Quality Goals

This Webinar will provide a basic and essential introduction on the topic of water quality standards – beneficial uses, water quality objectives, promulgated water quality criteria, water quality control plans and policies that affect allowable concentrations in water. It will familiarize water quality monitoring staff with the Water Quality Goals report, searchable online database of numeric water quality thresholds, assessment threshold selection algorithms, and how these tools may be used to assess whether beneficial uses of surface water or groundwater are likely to be impaired or threatened as part of our water quality assessment and regulatory functions.

The Water Quality Goals report, searchable database and additional supportive materials are available on the Internet at: www.waterboards.ca.gov/water_issues/programs/water_quality_goals/.

Jon Marshack

Jon Marshack has worked for the State of California's Water Boards since 1981 and has a B.S. in Biochemistry from UCLA, a M.S. in Biochemistry from UC Davis and a Doctorate in Environmental Science and Engineering from UCLA. Currently Jon is a Staff Environmental Scientist for the SWRCB's Office of Information Management and Analysis where he serves as Coordinator for the California Water Quality Monitoring Council.

For assistance

 ----

1. Go to https://waterboards.webex.com/waterboards/mc 2. On the left navigation bar, click "Support". To add this meeting to your calendar program (for example Microsoft Outlook), click this link: https://waterboards.webex.com/waterboards/j.php?ED=175701747&UID=484113162&ICS=MS&LD=1&RD=2&ST=1&SHA2=IbUPBTcYY93KhvfUL1QppUAKD5lCyywZNixwMCMAC-g= To check whether you have the appropriate players installed for UCF (Universal Communications Format) rich media files, go to https://waterboards.webex.com/waterboards/systemdiagnosis.php http://www.webex.com IMPORTANT NOTICE: This WebEx service includes a feature that allows audio and any documents and other materials exchanged or viewed during the session to be recorded. By joining this session, you automatically consent to such recordings. If you do not consent to the recording, do not join the session.

_____

We have set up a web page for the California Water Quality Monitoring Collaboration Network at:
http://www.waterboards.ca.gov/water_issues/programs/monitoring_council/collaboration_network/index.shtml
Materials (if available), including all past webinars (recordings and pdf's) will be posted on the website. The recorded webinars and associated materials are located under 'Monthly Webinars'.
We hope to use this webpage to help you network with each other and with the larger monitoring community. So, feel free to give us your ideas on how to make it better.

CWQMCN Emails:
New participants can join the webinar listserv by signing up on the web at http://www.waterboards.ca.gov/resources/email_subscriptions/swrcb_subscribe.shtml.
Enter your email address and name, place a check mark next to "Water Quality Monitoring Collaboration Network - Webinar Sessions", then click the "subscribe" button.

California Water Quality Monitoring Professional Network
Share technical and support tools for water quality monitoring, assessment and reporting; Encourage discussion on common concerns like information management and program development; Provide a forum for networking and collaboration.

This LinkedIn Group, California Water Quality Monitoring Professional Network,

compliments the California Water Quality Monitoring Collaboration Network (CWQMCN) and was created so that water quality monitors and Network members would have the ability to further collaborate and communicate outside of the current CWQMCN Webinar series and emails.
If you are a member of LinkedIn please join the group. Not a member yet? Please consider doing so and joining this group of water quality monitoring professionals.
