ITEM: #	2		Approx.Time:
Title of Topic:	**Workgroup 2013 Priorities**		80 minutes
Purpose:	Review tasks and priorities for the 2nd half of the year.		
Background:	Over the past year-and-a-half, the workgroup has made significant strides in developing its structure and function and to develop an understanding of the existing portals and their underlying technology, data and standards. Looking forward to the remainder of 2013 the DMWG will extend its efforts to better understand the landscape of current water and aquatic ecosystem data systems within organizations of CalEPA, the Natural Resources Agency, and the Department of Public Health specified in Water Code Section 13185(a)(5)(B) to identify relative coverage, strengths and opportunities for interaction to better facilitate the development and support of the Monitoring Council and its' theme-specific workgroups and portals. Specifically, it is proposed that the DMWG will: • Develop options and recommendations for technologic solutions to enable these data systems to be web accessible by other organizations within these two agencies, and • Approximate costs of implementing such solutions
