Item #	Time	Topic
1.	10:00 am	Welcome, Roll Call, Announcements & Updates (Ali Dunn, CA Water Board)
2.	10:15 am	How Do We Define Watershed 'Health'? (All) <ul style="list-style-type: none">● <u>Purpose</u>: To discuss and come to a general consensus on what it means to be a 'healthy' watershed.● <u>Background</u>: Please come prepared to present and discuss your definition of watershed 'health', including any relevant scientific literature. As part of the landscape assessment tool work plan, the project team is working on compiling scientific literature related to defining watershed health for a comprehensive literature review. The purpose of this discussion is to share information and come to a general shared definition of watershed 'health'. The output of this exercise will help the landscape assessment tool project team with their literature compilation and review.
3.	10:45 am	HWP Portal Webpage Overhaul (Anna Holder, Sea Grant Fellow) <ul style="list-style-type: none">● <u>Purpose</u>: To provide updates on the portal webpage overhaul, and to get feedback on the utility of recommended changes.● <u>Background</u>: During the May 8, 2019 meeting, the plan to overhaul the HWP Portal was presented. Since then the Portal has been updated with a new format, layout and content. Previously, the portal webpage only provided information on the background, membership, meetings and products associated with the Healthy Watershed Partnership/Healthy Streams Partnership. Currently, the page presents a robust resource for those conducting integrated watershed assessments. The page(s) include guidance on each phase of the assessment process. Future updates will include the addition of relevant literature and resources, and links to useful assessment tools, datasets and methods.
4.	11:45 pm	Wrap up Review action items, ideas for next meeting and next steps
5.	12:00 pm	Adjourn
