Water Quality Monitoring Collaboration Network Webinar

Webinar Purpose   The Webinar sessions are planned to share technical and support tools for monitoring, assessment and reporting; to encourage discussion on common concerns such as information management; and to provide a forum for networking.

It is envisioned that the Collaboration network will help support a state framework to coordinate consistent and scientifically defensible methods and strategies for improving water quality monitoring, assessment, and reporting.

Webinar Date and Time   August 26, 2009
11:30 am – 12:30 pm
