

California Water Quality Monitoring Collaboration Network Participant:

Join the California Water Quality Monitoring Collaboration Network and The Grantsmanship Center's Barbara Floersch for a 1-hour Webinar session "Finding the Right Funders" This Webinar will be on Thursday, March 15, 2012 from 11:30 AM -12:30 PM. Please login 15 minutes early and call the toll free phone number, see the instructions below to join the webinar.

Finding the Right Funders

Barbara Floersch, Director of The Grantsmanship Center, will show you how to identify the funders most likely to support your work. You'll learn how to use available research tools, useful ways of organizing research results, and strategies for building connections with funders.

Barbara Floersch has over 30 years of experience in nonprofit management, proposal writing, and grants administration. She has secured tens of millions of dollars in federal, state, and foundation grants, taught hundreds of seminars and classes at conferences, colleges, and nonprofits, testified before Congress, published numerous articles, and served as an expert reviewer for many government grant competitions. Barbara has been a Grantsmanship Center trainer for 12 years and became Director of the Center in 2011. www.tgci.com

IMPORTANT NOTICE: This WebEx service includes a feature that allows audio and any documents and other materials exchanged or viewed during the session to be recorded. You should inform all meeting attendees prior to recording if you intend to record the meeting. Please note that any such recordings may be subject to discovery in the event of litigation.

We have set up a web page for the California Water Quality Monitoring Collaboration Network at:

www.waterboards.ca.gov/water_issues/programs/monitoring_council/collaboration_network/index.shtml

Materials (if available), including all past webinars (recordings and pdf's) will be posted on the website. The recorded webinars and associated materials are located under 'Monthly Webinars'. We hope to use this webpage to help you network with each other and with the larger monitoring community. So, feel free to give us your ideas on how to make it better.

CWQMCN Emails:

New participants can join the webinar listserv by signing up on the web at http://www.waterboards.ca.gov/resources/email_subscriptions/swrcb_subscribe.shtml. Enter your email address and name, place a check mark next to "Water Quality Monitoring Collaboration Network - Webinar Sessions", then click the "subscribe" button.

California Water Quality Monitoring Professional Network

Share technical and support tools for water quality monitoring, assessment and reporting; Encourage discussion on common concerns like information management and program development; Provide a forum for networking and collaboration.

This LinkedIn Group, California Water Quality Monitoring Professional Network, compliments the California Water Quality Monitoring Collaboration Network (CWQMCN) and was created so that water quality monitors and Network members would have the ability to further collaborate and communicate outside of the current CWQMCN Webinar series and emails

If you are a member of LinkedIn please join the group. Not a member yet? Please consider doing so and joining this group of water quality monitoring professionals, www.linkedin.com.
