Access Code: 652934

Meeting Objectives:

- Gain Consensus on Draft Charter Document to finalize product and expanding CCHAB to include all freshwater HABs in California, and coordination with the California Harmful Algal Bloom Monitoring and Alert Program (CalHABMAP) efforts
- Seek CCHAB Network support for proposed updates to select pieces of the 2010 *Draft Voluntary Statewide Guidance for Blue-Green Algae Bloom*, developed by the Statewide Guidance Subcommittee.

Agenda:

- 1) Welcome & Introductions – (10 Minutes)
- 2) Approve Minutes from June 30, 2016 CCHAB Meeting (5 minutes)
- 3) Update on Clear Lake cyanotoxin monitoring program – Sarah Ryan and Karola Kennedy (30 minutes)
- 4) Update on Harmful Algal Blooms (HABs) around the state – All CCHAB Network members (10 minutes)
- 5) Presentation on PG&E efforts to reduce and mitigate HABs – Edward Cheslak (30 minutes)

Morning Break (10 Minutes)

6) Subcommittee updates

- a) Statewide Guidance Subcommittee – Sandy McNeel (20 minutes)
- b) Charter and Governance Subcommittee – Angela Murvine (5 minutes)
- c) WEB Portal – Architecture Subcommittee (CCHAB Portal and walk through) – Jon Marshack (20 minutes)
- d) Education & Factsheets Subcommittee – Reggie Linville (10 minutes)
- e) Monitoring & Assessment Subcommittee – Bev Anderson-Abbs (15 minutes)

- f) *Data Subcommittee – Proposed at June 30, 2016 CCHAB Network meeting – Marisa Van Dyke (10 minutes)
- g) Mitigation Subcommittee – Carrie Austin (10 minutes)
- h) Wildlife Impacts Subcommittee – Reggie Linville (5 minutes)

Lunch (60 Minutes)

7) General Updates

- a) Quarterly meeting of California Water Quality Monitoring Council (held on August 23, 2016) - Jon Marshack (30 Minutes)
- b) Freshwater bloom incident response and interagency coordination– Greg Gearheart (10 Minutes)
- c) One Health Harmful Algal Bloom System (OHHABS) – Sandy McNeel (30 Minutes)

Afternoon Break (10 Minutes)

Co-Chairs Items for Consensus

- 8) CCHAB name change from California Cyanobacteria Harmful Algal Bloom Network (CCHAB) to California Cyanobacteria and Harmful Algal Bloom Network (still CCHAB). This is part of encompassing all freshwater HABs (i.e. golden algae) in California, and acknowledging a coordination with the ocean CalHABMAP efforts – All in the CCHAB Network (10 Minutes)
- 9) Draft Charter Presentation – Angela Murvine (20 Minutes)
- 10) Next CCHAB Network Meeting January 26, 2017
