

DATA MANAGEMENT WORKGROUP

An update reported to the
California Water Quality
Monitoring Council

Tony Hale, PhD

San Francisco Estuary Institute – Aquatic Science Center

Gary Darling

Department of Water Resources

Workgroup Co-Chairs

- ▶ Provide an update on recent activities
- ▶ Solicit input on future plans

PRESENTATION AGENDA

- ▶ Serve as a coordinating and information resource for other workgroups
- ▶ Advance data and information sharing among resource agencies
- ▶ Coordinate information technology-related efforts and opportunities

MISSION FOR THE DMWG

Regular, recent attendees include representatives from:

▶ Public Agencies

- ▶ DWR
- ▶ SWRCB
- ▶ Delta Stewardship Council
- ▶ Metropolitan Water District
- ▶ Sac Sanitation

▶ Private companies

- ▶ Kisters
- ▶ 34North
- ▶ LimnoTech
- ▶ Nonprofits, JPAs
 - ▶ SFEI-ASC
 - ▶ SCCWRP

MEMBERS (WHO WE ARE)

- ▶ How do we advance the ideas recommended in the “Vision Paper”?
 - ▶ First presented to the CWQMC in Nov. 2014 with eventual endorsement
 - ▶ Published in September 2015
- ▶ Seeking to fill information gaps
 - ▶ Web services
 - ▶ Data Management Plans
 - ▶ Data Federation

RECENT ACTIVITIES

National Water Quality Monitoring Council

Working together for clean water

- ▶ Soliciting presentations from notable and salient data repositories

- ▶ National Water Quality Portal
- ▶ Water Quality Exchange (WQX)
- ▶ Surface Water Ambient Monitoring Program

RECENT ACTIVITIES

Constitute a steering committee

- ▶ Will provide authoritative guidance on workgroup activities in support of the Vision Document recommendations and related goals
- ▶ Should comprise mid- and high-level decision makers within Natural Resources, DWR, DFW, SWRCB, Delta Conservancy, Delta Stewardship Council, and interested federal agencies
- ▶ Will help promote resources for interagency coordination (and communication) regarding new and ongoing technology initiatives
- ▶ Will ensure consistent and broadly representative meeting attendance and initiative support

UPCOMING PLANS
